

# Hi! I am ABISHEK CHUHAN

GRAPHIC DESIGNER

I take my job seriously and see every job through to the end. I have a great desire to learn new things and develop in the field of designing. Creativity and creative thinking are the main components that help me to complete my task.

## MY SKILLS

- GRAPHIC DESIGNING
- MOTION GRAPHIC DESIGN
- VIDEO EDITING

## SOFTWARE I USE

## EXPERIENCES

### FREELANCER (JUNE 2020- FEB 2021)

After completing my designing course I started working as a freelancer. During this period, I have worked for different client on logo and social media designs and created motion graphics video for them.

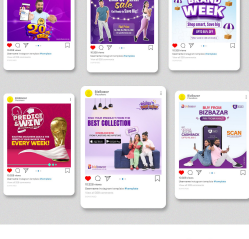

### NEPBUD INFOTECH (MARCH 2021- JULY 2022)

I have worked in this company for 1 and half years. During my working period in this company, I have to do all the designing work for different clients. I have to do design social media post, printing design, logo design and branding. As i also have good knowledge of Motion Graphics, I have to create a whole advertisement and explainer video for different clients.

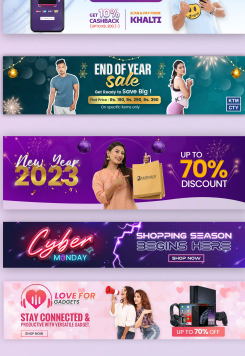

### BIZ BAZAR (JULY 2022- TILL NOW)

I have been working in this company since 7 months. I have been handling all the Social media post designs, different printing designs for different campaigns, Web banners, GIF and Social media videos. I have been doing packaging designs as well diffrent mockups designs.

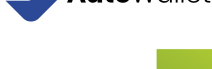

## SOCIAL MEDIA POST

## WEB BANNER DESIGN

## LOGO DESIGN

starhome

Starhome is a virtual business solution for real estate. Its ability to help in the process of buying/selling or renting a property, building, buying/selling, it also provides real estate services and provides a secure space for business transactions and investments. They will sell four types of property: residential, commercial, industrial, and agricultural. A business is created by providing services to customers, more than any other business. They will work and build a relationship with other with them as a business tool.

Brand Identity
